For Sale : **€ 20,000**

Description
In a calm and attractive corner of the capital, this residential field in Panagia, Nicosia offers a generous plot of 6838 m² with everyday city life close at hand. The setting is described as quiet, yet supermarkets, cafés, restaurants, pharmacies and a school are all a short drive away. A park and a sports venue are also nearby.

The land is regular in shape with an even, level surface, and it has direct road access. Main roads and motorway junctions are easily reached, so getting around Nicosia and beyond is straightforward. Petrol stations sit within walking distance, and bus stations are close by too.

Zoned for residential use, it is an uncomplicated piece of land in a convenient urban setting, where open space and city convenience meet. Panagia gives you the rhythm of a settled neighbourhood with the services of the capital around it.

This sale is for a one-thirtieth share of the land. A quiet, level plot with easy access, set within reach of everything Nicosia has to offer.
