Description
Here is a flat, almost rectangular field of 2,007 m² in Potami, on agricultural land in the Nicosia district. Its level ground and well-proportioned shape make it a practical, uncomplicated piece of land to farm or plant, and it has direct road access. The village centre of Potami is a short drive away, as are neighbouring Vyzakia and Pano Koutrafas, local petrol stations and the Astromeritis–Evrychou road. The Nicosia–Deneia motorway is a little further afield. This is a level, easy-to-work field in an open countryside setting.
