For Sale : **€ 9,000**

Description
Set in the countryside of Agioi Trimithias, this agricultural field for sale in Cyprus's Nicosia district covers 3659 m² of open land. It has a regular shape and a sloping surface, and its agricultural zoning suits farming or planting. The field itself has no direct road access. The village of Agioi Trimithias surrounds it, with Paliometocho, petrol stations and the Nicosia–Deneia motorway all a short drive away. This sale is for a one-sixth share of the land. It is a well-proportioned, uncomplicated piece of farmland in an open rural setting.
