Description
A field listed in Gourri offers 845 m² of open countryside in the hills of the Nicosia district. It is a modest, well-proportioned piece of land in a landscape-led setting away from dense urban development. The village centre of Gourri is a short drive away, as are the neighbouring villages of Fikardou and Lazanias. A petrol station is within driving distance, and the main roads of the wider region link the area with the rest of the district. This is an uncomplicated piece of the Cypriot countryside in a rural area.
