For Sale : **€ 65,000**

Description
Set within the village of Tsada, this generous residential field gives you room to shape a home around authentic Cypriot village life. Two adjoining parcels are offered together as one, creating 3,228 m² of land. Its irregular outline and sloping surface invite a thoughtful design that works with the lie of the land.

Practicality is well covered. The land has direct road access, and the village centre, schools, supermarkets, cafés and medical centres are all a short drive away. So are parks, sports venues and the neighbouring village of Koili. Main roads are close at hand, while the motorway and Karavella Station are within easy reach for journeys further afield.

Residential zoning points to a home of your own, on land rooted in a setting with a strong local identity. Here you have the space to build at your own pace, with everyday essentials nearby. Tsada offers an uncomplicated balance of village character, room to breathe and genuine convenience.
