Description

High-Yield Residential Plot in Lakatameia – Strategic Acquisition for High-Value Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a premium land asset in an established sector of Lakatameia, this 580 m² residential building plot offers the perfect blank canvas. Buying land in this high-demand and highly accessible neighborhood provides the ultimate freedom to bring a modern architectural vision to life, benefited by a strategic location that guarantees long-term value. This site is a high-yield investment opportunity specifically suited for those who prioritize strategic acquisition and high-value residential development in a serene urban environment.

Strategic Development and Yield Potential

Boasting a prime position within the desirable Kα7 residential planning zone, this property is primed for immediate development. With an 80% building density and 45% coverage ratio, the land offers fantastic versatility: it is ideally suited for a high-yield development, specifically a spacious modern detached family residence or a sophisticated two-story project. The zoning allows for a clear path for those looking to capitalize on the high demand for quality housing and maximize yield potential in a high-value urban hub. A significant financial advantage of this property is that it is not subject to VAT, and a title deed is already available, ensuring a secure and efficient transaction for the new owner. The structural allowance for 2 floors up to a height of 10 meters ensures a well-proportioned and attractive residential design on a substantial 580 m² surface.
