Description
For sale: a field of 5352 m² in Meladeia, on agricultural land in the Paphos countryside. The ground is uneven and irregular in shape and follows the natural lie of the land. It sits in an open countryside setting, well away from built-up areas.

The village centre is a short drive away, as are the neighbouring villages of Lysos and Peristerona. Petrol stations are close by, and the main roads are within a drive. Its agricultural zoning makes it a versatile piece of land for farming or planting. This is a sizeable field of open farmland in Meladeia.
