Description
Set in an open countryside setting outside Salamiou, this agricultural field covers 32442 m² of rising, sloping ground in the Paphos hills. It is a sizeable piece of land, irregular in shape, with farming as the general use of its zone. The land has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Mesana and Kidasi. The Limassol–Paphos Motorway and the wider road network lie further out in the region. This is a large, open agricultural field on inclined ground in the Salamiou countryside.
