Description
A field of 21,405 m² in the countryside of Choletria, in Paphos District, a short drive from the village and from Old Choletria. The ground slopes and is irregular in shape, and it sits in an open rural setting away from dense urban development. The land has road access. The nearby villages of Nata and Foinikas are a short drive away, as are petrol stations, and the Limassol–Paphos Motorway and its junctions are within a drive. This is a generous, open piece of the Cypriot countryside around Choletria.
