Description
Set in an open countryside setting within the Pegeia area of Paphos, this agricultural field covers 7024 m² of sloping, irregularly shaped ground. Its agricultural zoning suits farming or planting, and it would make a practical addition to a nearby agricultural property. The land is landlocked, with no direct road access. The villages of Kathikas and Akoursos are a short drive away, as are petrol stations, while the main roads and the Limassol - Paphos Motorway are a drive away. This is a versatile piece of farmland in the Pegeia countryside.
