Description
In the countryside of Letymvou, in the Paphos district, this agricultural field covers 2,174 m² of smooth ground. It has an irregular shape and lies in an agricultural zone, so its use is farming or planting. It sits outside the village's residential area. The land has no direct road access.

The village centre is a short drive away, and so are the neighbouring villages of Kallepeia and Pitargou. It is a piece of farmland with an even surface in the rural landscape of Letymvou.
