For Sale : **€ 10,000**

Description
Set in the countryside of Tala, a popular area in the Paphos district, this agricultural field spans 6689 m² of sloping, west-facing ground. It has direct road access and sits a short drive from the village centre, with Peyia and Kamares also close by. Main roads and the Limassol to Paphos motorway are a drive away, so reaching the land is simple.

Its agricultural zoning suits farming, planting or keeping land in an open countryside setting away from dense development. This sale is for a share of the field rather than the whole. It is uncomplicated rural land with sloping ground and a western aspect.
