Description
This field in Giolou offers 3,345 m² of agricultural land in an open countryside setting, away from dense development. The ground is sloping and irregular in shape, and its agricultural zoning suits farming or planting. The field has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Miliou and Theletra, with petrol stations close by. Main roads are a drive away, and the Limassol–Paphos Motorway lies in the wider region. It is a sizeable, uncomplicated piece of farmland in the Giolou countryside.
