For Sale : **€ 4,000**

Description
Set in open countryside within Pegeia, this agricultural field covers 3,679 m² of sloping, irregularly shaped ground. Its agricultural zoning suits farming, planting or keeping the land as a countryside asset. The surroundings stay rural, away from dense urban development. The field belongs to the village of Peyia. Petrol stations and the neighbouring village of Akoursos are a short drive away, and the Limassol–Paphos Motorway is within a drive. This sale is for a one-third share of the field. It is a versatile piece of farmland on an inclined plot in the Pegeia countryside.
