For Sale : **€ 115,000**

Description
Deryneia's daily life is close at hand from this residential field in the Famagusta district. Cafés, restaurants and local shops are all within walking distance, so a morning coffee or an evening meal out can begin with a stroll. The town centre and Paralimni Lake are each a short drive away.

The land is rectangular with an even surface, a simple and regular shape that makes it easy to picture as room for a home. Its residential zoning sets that general use, and at 3,603 m² it offers a large piece of ground within the village setting. The field has no direct road access.

The sale is for a 1/2 share of the field. Level ground, a residential zone and the cafés and shops of Deryneia within walking distance give a welcoming place to begin imagining a home in this part of Famagusta.
