

For Sale, Land, Field, Famagusta, Paralimni, 2,803m²

On the edge of town, where Paralimni meets neighbouring Dery...

For Sale : **€ 60,000**

Description
On the edge of town, where Paralimni meets neighbouring Deryneia, this suburban field in Paralimni sits within easy reach of everything that makes daily life simple. Schools, medical centres and pharmacies are within walking distance. Supermarkets, cafés, restaurants and the town centre are all a short drive away, and so is the general hospital.

The land itself is honest and uncomplicated. It has a regular shape and a flat surface, with direct road access and a green area running along one edge. That gives the setting an open, softer feel. The plot measures 2803 m² in total, and its zoning allows urban residential and office use, so it offers flexibility close to the heart of town.

Beyond the everyday conveniences, Paralimni Lake is a short drive away for open space, and main roads link easily to the wider Famagusta area and the motorway. This sale is for a one-third share of the land.

It is flat, accessible ground beside a green area, a few minutes from the town centre.
