Description
An agricultural field of 4,676 m² in the open countryside of Avgorou, in the Famagusta district, with the villages of Xylofagou and Liopetri a short drive away. The land has a regular shape and an even surface, a practical layout for planting, cultivation or general farming use. The Larnaca to Agia Napa motorway and the Avgorou village centre are both within easy reach. The field has no direct road access of its own. It is a well-proportioned piece of level farmland in the countryside around Avgorou.
