Description
In Ergates, in the Nicosia district, this agricultural field covers 5,398 m² of flat ground. Its almost rectangular shape gives a simple, regular layout to plant and work. The land is reached by a dirt road, the village centre is a short drive away, and main roads are within easy reach.

The zoning is agricultural, so the land suits farming, planting or holding as a countryside plot. Its level surface and straightforward shape make the ground uncomplicated to manage. This is a sizeable, flat and regular field with dirt road access in Ergates.
