Description
Set in open countryside outside the village of Kritou Tera, this field of 3249 m² offers a piece of the Cypriot countryside in the Paphos hills. It has a regular shape that is easy to understand on the ground, while the surface itself is uneven, following the natural lie of the land. The neighbouring villages of Tera, Choli and Kato Akourdaleia are a short drive away, as are petrol stations, and the main roads are a drive away. This is an uncomplicated rural field with a clear, regular outline in a landscape-led setting.
