Description
Set in an open countryside setting a short drive from the village centre, this 8,491 m² agricultural field in Pano Arodes offers a generous area of land for farming or planting. Its almost rectangular shape makes it simple to lay out and work, and the ground has a sloping surface. Public roads run along two of its boundaries, giving the land direct road access. Kato Arodes and Peyia are both a short drive away, petrol stations are close by, and the Limassol–Paphos motorway lies within the wider region. It is a sizeable, well-proportioned field with straightforward access in rural Paphos.
