Description
This open field of 8,393 m² lies on agricultural land in the countryside around Pano Arodes, in the Paphos district. It is suited to farming or planting. The ground slopes and the field has an irregular shape. It has direct road access along a dirt road, which makes it practical to reach.

The village centre is a short drive away, as are Kato Arodes, Peyia and local petrol stations. Main roads are within reach, and the Limassol–Paphos Motorway serves the wider region. This is a generous, versatile piece of agricultural land in an open countryside setting.
