Description
For sale: a field in Choulou, an agricultural plot of 3,178 m² set in open countryside a short drive from the village centre. The neighbouring villages of Lemona and Kannaviou are also close by, and main roads and the Limassol–Paphos Motorway are a drive away. The ground slopes and the shape is irregular. Its agricultural zoning makes it suited to farming or planting. The field has no direct road access. This sale is for a three-fifths share of the land. It is a straightforward rural plot in a landscape-led setting away from dense development.
