For Sale : **€ 237,000**

Description
Space is the first thing that strikes you here. This two-storey building in the village of Acheritou sits on a generous, flat plot of 7,267 m², with direct road access. Schools, banks and shops are all within easy reach for everyday life.

The upper floor holds a home of around 240 m². Below, the basement provides parking, a storage room and a separate studio of about 30 m², a versatile extra space. The ground floor is laid out as a second house of the same size. It is incomplete, so it offers the chance to finish it your own way.

Life here follows the slower rhythm of authentic Cypriot village life, with wide, level land around the building and the services of the Famagusta district close at hand. This sale is for an eleven twenty-fourths share of the property.

Generous living space, a studio and an expanse of flat land in Acheritou make for an appealing balance of space, function and flexibility.
