For Sale : **€ 105,000**

Description
In a quiet part of Argaka, a short way inland from the coastline, this two-storey house offers easy village living. The village centre, shops and cafés are a short drive away, and the primary school is within a short walk.

The ground floor is given over to one open-plan space where the living room, dining area and kitchen flow together. A guest toilet with shower sits close at hand, and verandas open onto the outdoors. Upstairs, the two bedrooms share the first floor with a bathroom and verandas of their own.

Picture slow mornings with a coffee on an upstairs veranda, and long evenings with dinner carried from the kitchen to the veranda below. The open-plan layout keeps cooking, dining and relaxing together, while the bedrooms sit apart on the floor above.

With verandas on both levels and the coast never far off, this is a home made for the easy rhythm of Argaka.
