Description
Schools, shops, cafés and restaurants all within walking distance: this three-bedroom house for sale in Astromeritis puts everyday village life right on your doorstep, with the neighbouring villages of Peristerona and Potami only a short drive away.

The house dates from around 1960 and has the honest, unpretentious character of its time. A single level holds a kitchen, a living room and a separate dining room, with three bedrooms and a shower room completing a practical layout. It sits on a generous, flat plot of 693 m², with direct road access, giving you room to breathe that apartment living rarely offers.

Outside, a courtyard sets the scene for long family meals, and a traditional oven brings authentic Cypriot village life within reach, from Sunday bread to slow-roasted lunches. Three separate outbuildings add useful storage space and a sitting area, so there is space to spread out and make the home your own.

This sale is for a half share of the property.

A characterful home with a courtyard, a traditional oven and the whole village within an easy stroll, set in the heart of Astromeritis.
