For Sale : **€ 218,000**

Description
Village life in Pano Deftera meets the comfort of a modern home in this two-storey house, built in 2015 in a residential setting. The village centre, schools, shops and cafés are all a short drive away, so everyday needs stay close at hand.

The ground floor opens into a generous open-plan living, dining and sitting area that flows into the kitchen, so cooking and conversation share the same space. A guest WC and a separate laundry room keep the daily routine running smoothly.

Upstairs are three bedrooms and a main bathroom. The master bedroom has its own en-suite and a walk-in wardrobe. Above, the attic is used as a further bedroom, giving the household extra room to spread out.

Outside, covered and uncovered verandas offer a choice of shade or open air, with a yard alongside and a covered parking space by your own front door. Picture slow evenings on the veranda after a day in the city, with the village around you: a welcoming home in a Nicosia district village.
