For Sale : **€ 11,500**

Description
This 7883 m² field lies in the countryside around Vavatsinia, in an open rural landscape away from dense development. It has an irregular shape and an uneven, natural surface, and it has direct road access.

The village centre of Vavatsinia is a short drive away, and the neighbouring villages of Lageia and Agioi Vavatsinias are within easy reach. Main roads and the Nicosia–Limassol motorway are also a drive away, so the land stays well connected to the wider region.

This is a sizeable piece of Larnaca countryside that can be reached directly by road.
