For Sale : **€ 6,000**

Description
Close to Tasos Markou Stadium and within walking distance of schools, this residential field sits in the everyday rhythm of Paralimni, with the town centre a short drive away.

The land covers 10,987 m² of even ground in a residential zone that allows homes, offices and services. It offers an uncomplicated foothold in a familiar town, where school runs and daily errands stay close at hand.

For slower moments, Paralimni Lake is a short drive away, a natural counterpoint to the town around it.

The sale is of a 1/48 share of the field. What lingers is the setting: a part of Paralimni within walking distance of its schools and close to the heart of town.
