For Sale : **€ 65,000**

**Description**
A flat agricultural field in Frenaros, set in an open countryside setting in the Famagusta district. The land covers 13,363 m² and has direct road access, so it is easy to reach and work. Its agricultural zoning makes it suited to farming or planting.

The villages of Agios Georgios Acheritou and Avgorou are a short drive away, as are petrol stations and the village centre. The Larnaca–Agia Napa Motorway is within a drive. This sale is for a four-fifths share of the field. Level ground and a generous size make this a versatile piece of land for cultivation.
