Description
An agricultural field of 8028 m² in Ineia, set in the open countryside of the Paphos district. The land is irregular in shape and lies on a sloping surface. It has access from a public pathway along one side. As agricultural land, it suits farming and planting.

The village centre is a short drive away, as are the neighbouring villages of Fasli and Androlikou and the larger community of Peyia. A petrol station and the main roads are within a drive. This Ineia field is a sizeable, open piece of farmland with its own pathway access.
