For Sale : **€ 6,000**

Description
A sloping field in Koili, set in open Paphos countryside with Tala and Kamares a short drive away. The land extends to 7,358 m² in total, with an irregular shape and an inclined surface, and trees already grow on the ground. It is agricultural land, suited to farming or planting, and lies away from the village's built-up area. The village centre, petrol stations and main roads are a short drive away, and the Limassol–Paphos Motorway can be reached by car. The field has no direct road access. This sale is for a one-sixth share of the field. It is a versatile piece of Koili farmland with space to plant.
