Description
For Sale | Renovated 3-Bedroom Semi-Detached House with Photovoltaic System in Strovolos, Nicosia
Discover this attractive three-bedroom semi-detached house for sale in Strovolos, Nicosia, offering comfortable living spaces, modern amenities and inviting outdoor areas in one of the capital's most established residential neighbourhoods.
Renovated in 2022, the property combines practical family living with energy-efficient features, making it an appealing choice for buyers seeking a well-equipped home in a convenient location.
The residence features three bedrooms, two bathrooms, including an en-suite, and an additional guest WC, providing a functional layout suitable for everyday family life. The property is offered fully furnished and equipped with electrical appliances, allowing future owners to benefit from a comfortable and convenient living environment.
For additional comfort, the house features air-conditioning units, ensuring pleasant indoor temperatures throughout the year. It also benefits from an installed photovoltaic system, solar water heaters and a pressurized water system, providing practical advantages for everyday household needs and supporting more energy-conscious living.
The property's outdoor spaces are equally appealing, featuring a covered veranda, a private yard and a pergola, creating pleasant areas for relaxation, outdoor dining and entertaining family and friends. These features enhance the overall living experience and provide opportunities to enjoy Cyprus's Mediterranean climate.
Additionally, the residence includes covered parking, offering convenient and sheltered accommodation for a vehicle.
Situated in the popular residential area of Strovolos, Nicosia, the property enjoys convenient access to supermarkets, schools, pharmacies, shops, cafés, restaurants and other essential services. Strovolos is particularly attractive to families and professionals due to its established infrastructure, residential character and connections to central Nicosia and surrounding areas.
The property's 2022 renovation, together with its furnishings, electrical appliances and installed energy-saving systems, makes it an appealing option for those seeking a comfortable family residence without the need to start from an entirely unequipped home.
An additional advantage is the availability of a title deed, providing important ownership documentation for prospective purchasers.
Combining three bedrooms, modern conveniences, a photovoltaic system, landscaped outdoor living areas and a desirable Strovolos location, this semi-detached house presents an excellent opportunity for permanent residence or property investment.
