

For Sale, Land, Field, Nicosia, Pachyammos, 4,014m²

Sea views set the tone for this sizeable field in Pachyammos...

For Sale : **€ 40,000**

Description
Sea views set the tone for this sizeable field in Pachyammos, a village where the beaches are only a short drive away. It is a setting where the coast feels close at hand and the sea stays part of the scenery.

Covering 4,014 m², the field lies in a residential zone, which gives room for a home looking out towards the water. The ground is uneven and the shape irregular. The land has no direct road access.

Beyond the village, the neighbouring village of Pomos is a short drive away, and Paphos International Airport is about 50 km off, so the area is easy to reach from abroad.

The sale is for a 1/2 share of the field. What stays with you is the simple pairing at its heart: residential land, the sea in view and the beaches within easy reach of Pachyammos.
