For Sale : **€ 70,000**

Description
Paralimni Lake lies within walking distance of this residential field in the village of Sotira, in the Famagusta district. Picture a morning that begins with an unhurried stroll to the lake, a nature spot close enough to become part of everyday life. The village centre is only a short drive away for the daily round.

The field covers 5,035 m² and is zoned for residential use, which gives room for a home in a village setting with nature on its doorstep. It is a place to imagine a life shaped around the outdoors, with the lake close by rather than a trip away.

The land has no direct road access. The sale is of a 1/3 share of the field.

With Paralimni Lake a walk away and Sotira's village life close at hand, this is a setting where nature stays part of every day.
