For Sale : **€ 70,000**

Description
Set within the town of Paralimni, this residential field lies in a settled part of town. The town centre and its everyday life are a short drive away, as is the natural setting of Paralimni Lake.

The land is large, at 4,652 m², with a regular shape and a level surface. It fronts a public road, so it has direct road access. Its zoning is for urban centre use, and the field is classed as residential, which gives room for a home close to the heart of town.

Picture plans taking shape on even ground, with no slope to work around, and with Paralimni's shops and cafés close at hand. Kapparis is also a short drive away. The sale is of a 1/4 share of the field.

A level, well-shaped piece of Paralimni with its own road frontage, close to the life of the town.
