For Sale : **€ 2,000**

Description
Within the farming countryside of Kato Lefkara, this field covers 9,365 m² of agricultural land. It has a regular shape and a smooth, even surface, which suits planting and cultivation. Most of the land lies in an agricultural zone, and a small part falls within a protection zone.

The field sits a short drive from the village centre and from neighbouring Pano Lefkara and Kato Drys. It has no direct road access. The sale is of a 1/2 share of the field. This is a regular, even parcel of farmland in the Kato Lefkara countryside.
