Kokkinotrimithia sets the scene for this residential field....

For Sale : **€ 75,000**

Description
Kokkinotrimithia sets the scene for this residential field. Restaurants and cafés are within walking distance, and so is the village's heritage site, the former Kokkinotrimithia Concentration Camp, a short walk for a coffee or a reflective hour.

The land covers 1,681 m². It is rectangular with an even surface, a simple, honest shape that makes it easy to picture where a home might one day stand. Its residential zoning gives room for a home, while supermarkets, schools and the village centre are a short drive away, as is neighbouring Paliometocho. The land has no direct road access.

When the weekend calls for open air, the Gerogiannis nature spot is a short drive away, bringing the surrounding landscape into the rhythm of village life. A level piece of Kokkinotrimithia, with the village's cafés and history close at hand.
