For Sale : **€ 85,000**

Description
Anarita keeps the unhurried rhythm of a Paphos village, with its centre, cafés and everyday shops a short drive away and the neighbouring village of Timi close at hand. Within this community lies a large residential field, its even ground meeting the road directly along one side.

The residential zoning gives the land a clear purpose: room for a home in a village setting. The level surface makes it easy to picture that home taking shape, with the sky open above and the life of the village moving gently around it. Daily needs stay within easy reach, and Paphos International Airport is also a short drive away, which keeps journeys abroad and visits from family and friends simple to arrange.

The whole field covers 6,689 m², giving a sense of space around whatever you plan. The sale is for a 1/3 share of the field.

This is level, road-fronting residential land in a living Paphos village, with room to let your plans for a home take root.
