For Sale : **€ 50,000**

Description
A short walk from the heart of Anarita, in the Paphos district, this residential field puts village life within easy reach. Restaurants and cafés are within walking distance, so a morning coffee or an evening meal out can simply be a stroll from the land. The plot measures 2,007 m² and fronts a public road, giving it direct road access. Its residential zoning leaves room for a home, close to the everyday rhythm of the village. The land is irregular in shape and has a sloping surface. Paphos International Airport is a short drive away, which makes arrivals and departures easy. Beaches and Paphos Marina are a drive away for days by the sea. The sale is a 1/3 share of the field. A residential plot with its own road frontage, a few steps from the cafés and the centre of Anarita, offers a setting where village life is part of every day.
