Description
Set in the countryside of Letymvou, in the Paphos district, this agricultural field covers 12,710 m² of smooth ground. Its shape is irregular, and it meets a public road at a single point along its boundary.

The land is zoned for agriculture and suits farming or planting. The village centre is a short drive away, as are neighbouring Polemi and Kourdaka, and the Limassol–Paphos Motorway is within a drive. A large piece of farmland with plenty of ground to work, a short drive from the village.
