Description
Within the Polemi community in the Paphos district, two adjoining fields are sold together as a single agricultural holding of 6,690 m². The land is regular in shape with a sloping surface, and it has direct road access along one boundary.

Zoned for agriculture, the land can be used for farming or planting. The village centre is a short drive away, as are the neighbouring villages of Psathi and Letymvou, and the Limassol–Paphos Motorway is within a drive. It is a sizeable piece of farmland in the Polemi countryside.
