Description
On the outskirts of Stroumpi in the Paphos district, this agricultural field covers 3,345 m² of sloping ground with an irregular outline. Access is by a dirt road. The village centre and neighbouring Polemi are a short drive away, and the Limassol–Paphos Motorway is within a drive.

The agricultural zoning makes the land suited to farming or planting, and the slope is worth bearing in mind when planning how to work it. A sizeable piece of farmland in the countryside of Stroumpi.
