Description
In the quiet, attractive countryside of Pano Arodes, this touristic field lies a short way from the heart of the village. The neighbouring villages of Kathikas and Kato Arodes are a short drive off, and the beaches of Toxeftra and White River are within a drive. Village life is close at hand, and the coast is within easy reach for a day by the sea.

The land covers 10,149 m² and is irregular in shape, with sloping ground. It borders a public dirt road, so it has direct road access.

Its touristic zoning sets its general use. The setting is also seen as a good choice for a permanent or holiday home, with everyday amenities close by. Paphos International Airport is about 25 km away, which keeps journeys to and from the island simple.

This is a sizeable piece of the Paphos countryside with a strong local character. A peaceful village setting and the coast within reach give it an honest, lasting appeal.
