Description
A flat agricultural field of 13,962 m² sits just outside the village of Nisou, in the Nicosia district. Its level ground lends itself to farming or planting. Access is by a registered dirt road that runs along one side of the land, giving it direct road access.

The Nicosia–Limassol motorway is within easy reach, and the neighbouring villages of Dali and Pera Chorio are a short drive away. This is a sizeable, level piece of farmland with its own frontage onto the dirt road.
