For Sale : **€ 189,000**

Description
Just back from the seafront on the Sotira coast, this level field lies between the Larnaca–Agia Napa motorway and the sea, in a zone set aside for tourist use. The shoreline is close at hand, and the main coastal route runs only a little way inland.

The land extends to 5,208 m² in total. Its flat surface and neat rectangular shape make it simple to understand and to plan around. It fronts a road, so it has direct road access.

The pleasures of this stretch of coast are never far away. Agia Napa Marina and the sands of Makronissos Beach are a short drive off, and Larnaca International Airport is about 25 km away. Tourist use is the natural purpose of land here, in a setting shaped by the nearby sea.

The sale is of a one-quarter share of the field. Flat, reached directly by road and set so close to the shore, it keeps the Sotira coastline within easy reach.
