Description
Just outside the village of Palaiomylos in the Limassol district, two fields together cover 5,687 m² of open land. A registered road runs along the fields and gives them direct road access, and the road linking Palaiomylos with Lemithou is close by. Lemithou and Agios Dimitrios are both a short drive away. The land lies within a protection zone. The sale is a half share of both fields. Together they form a sizeable stretch of land on the edge of the village.
