Description
Set a short distance outside Pelendri village in the Limassol district, this agricultural field extends to 5,017 m². Its farming zoning makes it suited to planting and cultivation, or simply to holding a sizeable piece of rural land in the Pelendri area.

The village centre and the neighbouring village of Amiantos are both a short drive away, and the main roads are a longer drive.

This is a straightforward plot of farmland on the edge of Pelendri.
