For Sale : **€ 20,000**

Description
Village life sets the tone in Kokkinotrimithia, and this residential field sits within a short drive of the village centre, where the day's errands are easily done. The land has direct access from a registered road, and the motorway is easy to reach for trips further afield.

Its residential zoning gives it a clear, uncomplicated purpose: room for a home of up to two floors. When the weekend comes, the nature spots of Gerogiannis and Lefkovounos are a short drive away, a gentle invitation to slow down and spend time outdoors. Neighbouring Paliometocho is also close by for a change of scene.

A distribution agreement is in place for the field. The sale is a 7% share of the field.

This is a residential setting with its own road access and the life of the village close at hand.
