Description
On the edge of Kato Drys village, this agricultural field covers 16,054 m², a large parcel of land for farming or planting. Its agricultural zoning points plainly to farming use.

The village centre is a short drive away, as is neighbouring Ora, and the Nicosia–Limassol Motorway is within easy reach, linking the land with the wider Larnaca district and beyond. It is a sizeable piece of farmland in the Kato Drys countryside.
