For Sale : **€ 199,000**

Description
Away from the centre of Geri, with Latsia close by, this large and level field of 10,440 m² offers a generous stretch of open ground in the Nicosia district. A sports venue lies within walking distance, and the everyday life of the neighbouring communities is never far away.

Most of the land sits in a residential zone, which leaves room for a home on wide, flat ground. Its fairly regular shape makes the land simple to read and easy to picture, a clean and uncomplicated canvas for a future plan. A small part of the land falls within a protection zone.

The land has no direct road access. The sale is a 50% share of the field.

Level ground, mostly residential land and Latsia close at hand give this piece of Geri plenty to imagine.
